C-Level Executive Coaching

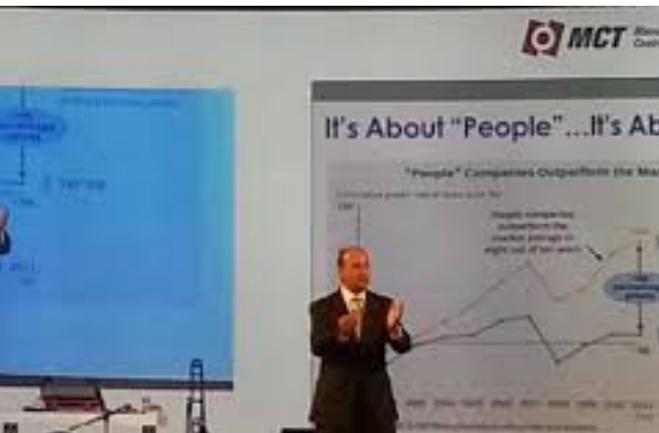

"Intelligent Leadership might just be the best leadership book of 2013. It's one of the deepest leadership and personal development books since Stephen Covey's *The 7 Habits of Highly Effective People*, and Tony Robbins' *Unlimited Power*. It's that good. --J.D. Meier

John Mattone's *Senior Executive & C-Level Coaching Process™* features 50 to 75 hours working directly with John Mattone over a 6 to 12 month period. John Mattone confidentially engages with C-Level executives in the four proven phases of his proprietary coaching process: *Awareness; Assessment; Action; and Achievement*. C-Level executives undergo an in-depth diagnostic interview and are assessed using his proprietary "inner-core" assessments that are complemented by John's stakeholder interviews and custom 360 to gain insight into their "outer-core" effectiveness. As part of this process, John Mattone will "shadow" the executive as they go about conducting meetings, delivering presentations and interacting with internal and external stakeholders. John Mattone will debrief the leader's custom assessment results and offer his own observations over multiple insightful sessions; the remaining coaching sessions feature John Mattone partnering with the leader "hip to hip" to help them build and implement their custom leadership and personal development plan focused on leveraging their gifts and strengths and addressing their development needs. John's process is very "stakeholder" focused, in that executives are guided by John to use their stakeholders throughout the process to gain powerful insights about their own leadership strengths and development gaps. John utilizes a powerful "mini-survey" process at three month intervals to obtain feedback from stakeholders to determine if the leader is improving in those areas identified as critical in their leadership development plans. As a value-add, any C-Level executive who works with John has the option of appearing as John's exclusive guest on his new show, *The C-Suite Coaching Show* with John Mattone (The CEO Magazine). *Investment Options: 6, 9 and 12 Month Programs.
